Benefits for Marketing Partners on Unittus

Unittus (pronounced: "unite us") is the First People Search and Social Network in the World, to enable anyone to "Find...or be Found" by name or keyword attributes, local or around the world. To connect for common interest, need or cause instantly.

Unittus - Search, Connect, Communicate and Prosper Together.

Today all brands, businesses, non profits, celebrities, sports figures and entertainers are engaged in a social media strategy working with Media, Communications or Agencies. It is common practice to see graphic images and direct links to at least Facebook, Twitter, LinkedIn, Google+ and YouTube on all web properties. One might ask: "WHO is really benefiting from the billions of daily web traffic, prospects, and current customers that are being directed to these other web destinations? Unittus, has a new and exciting approach to interaction between people and business.
