

WHY Join Unittus?

Unittus (pronounced: "unite us") is the First People Search and Social Network in the World, to enable anyone to "Find...or be Found" by name or keyword attributes, local or around the world. Its core commitments are to foster a global mission of cause, entrepreneurship, socialization and responsibility to unite "like minded" people with common social, career & leisure interest. Empowering the human spirit through a simple theme of people helping people. With participation of the growing thousands of Independent, International Social Advisors, Unittus is developing in 100+ countries a social commerce & ecosystem, changing lives by embracing and promoting free enterprise throughout the world simply by sharing and socializing within a community of self developed content.
